Administrator Sue Lund writes:

At a Volunteer Appreciation Event in April, resident **Lucille G**, our **2022 Volunteer of the year**, was acknowledged and thanked along with **105 other volunteer residents**. Resident volunteers are essential in many ways. Some volunteer daily, to help serve noon meals, others prepare the Crestline for distribution, host parties, setup or Call Bingo, help with Wii bowling, serve as Neighborhood Ambassadors, setup the Cove for events, distribute calendars and communications to resident in-house boxes, accompany and lead hymns at Chapel, and/or host or entertain at social events. **Thank you!**

Sunnycrest Village is also blessed by individuals in the extended Sioux Falls Community who volunteer. Local active and retired church ministers and laypersons lead weekly Chapel and Bible studies. SUMC Women's Timeout Group provides and serves residents periodic Saturday morning breakfasts. Volunteer van drivers provide weekly transportation to local church services and other social outings throughout the year. And other volunteers help with inside and outside cleanup and picking apples. Also, a thank you to volunteer Board of Director members; Sunnycrest Village is so blessed with your leadership and expertise. Each person's willingness to share their time and talent is appreciated; thank you! Each volunteer is valued for individually serving to help with the many vital pieces which bear witness to our mission.

Thank you all!

Please welcome our **3 newest employees**. Jonas joined in March and Matt in April. Also in April, Mary joined as Activities Coordinator. All three have experience and offer distinctive skills. Welcome! With the addition of Jonas and Matt, the entire Maintenance staff has had more time to devote to both indoor and outdoor projects. Especially noted this time of year, their outdoor efforts have contributed to the beauty enjoyed here at Sunnycrest.

Thank you, guys!

Also, with warmer weather here, more of us are outdoors. A reminder to vehicle drivers, the speed limit at Sunnycrest is 15 mph and always stay alert for pedestrians. Persons walking, if in the driveway, be a defensive pedestrian, stay to the side and always be attentive for approaching vehicles. Each day, more trees are budding out, the grass is getting greener, and flowers are peeking out of the ground and on trees, soon to blossom! What a lovely time of the year to appreciate God's gift of natural beauty.

Enjoy Spring! 🌻

Sunnycrest residents celebrated St. Patrick's Day by being entertained by the very talented youth from "Celtic Steps" School of Irish Dance. This amazing dance troupe had over 20 performances around Sioux Falls during St. Patrick's day weekend!
